# DM4 DispenseMaster™ Automated Dispensing

Avient Specialty Inks' DM4 DispenseMaster™ is an automated dispensing system that delivers an unlimited array of colors for your plastisol ink screen printing jobs. The DM4 offers quick mixing, consistent results, and total ink room management, while maintaining a user-friendly interface.

### COLOR ON DEMAND

- Dispense into your desired container size to better control ink inventory
- Mix accurate, consistent colors - first time, every time, on time
- Reduce press downtime by automating and rapidly delivering accurate colors to the production floor
- Create an unlimited color palette with customized formulas to meet production specifications and cost requirements

### OPERATIONAL FEATURES

- Large enclosed stainless steel work area
- High-quality industrial PLC system control
- Contributes to a clean and safe working environment by operating without tools, solvents, cleaning rags, and skin contact

- Easy-to-use with minimal training required
- Quick and efficient component replenishment
- Compatible with multiple pigment, base, and finished ink systems
- Can be upgraded to include additional pumps and ink components
- Linked to IMS3.0, Avient Specialty Inks' leading ink management tool, to achieve Pantone®-approved color formulas, recycle formulas, and more

### SPECIFICATIONS

- Price includes computer (CPU), monitor, keyboard, mouse, label printer, and scale
- One-year warranty on parts
- Power Requirements: 110 AC 15 Amps 50/60Hz
- Air Requirements: 100PSI (minimum)
- Optional: Draft doors and automatic table adjust
