

Improved Hand - Superior Bleed Resistance - Excellent Stretch

Wilflex™ Epic™ Rival Sport™ LC Defender Conversion List

Wilflex™ introduces the latest addition to its Rival Sport™ series — Wilflex™ Epic™ Rival Sport™ LC Defender! LC Defender is a bleed blocker created for maximum bleed resistance on 100% polyester, blends, and dye sublimation garments. For even further protection against dye bleed, use LC Defender as an overprint with Rival Sport LC White and Colors.

HIGHLIGHTS

- Improved bleed resistance
- Excellent opacity
- Creamy viscosity
- Easy printing experience
- Low cure profile of 250-300°F (121–148°C)

Wilflex Epic Rival Sport LC Defender is replacing Epic Armor LC Gray and Epic Armor LC Black. Please refer to the guide below to find your new product codes.
