NO COMPROMISE

DMC DispenseMaster™ Compact Automated Ink Dispensing System

The DMC DispenseMaster™ offers precision color mixing for your screen-printing jobs in a smaller, more efficient design* without compromising on quality or performance.

HIGHLIGHTS

- Space-saving design optimized for limited floor space
- Front-accessible configuration allows placement against walls
- Optimized pigment valve dispense placement for maximum efficiency
- Lower shipping costs and quicker installation*
- Adjustable keyboard and monitor height for operator comfort
- Efficient component changing system – eliminates the need to reach into buckets
- Stainless steel work area with LED lighting for improved visibility
- Updated PLC system control for enhanced reliability

Get professional performance, consistent color-matching, reduced waste, and improved production efficiency with this space-saving compact system, all without compromise!

*Compared to the DM4 DispenseMaster system

Each DMC DispenseMaster system includes a computer (CPU), monitor, keyboard, mouse, label printer, and scale, backed by a one-year warranty on parts
